

Article Assignment

Step 1: Collect one appropriate fitness or health related article per day of medical.

Step 2: Type one full page (three paragraphs) about the article. One paragraph should summarize the article. One paragraph should tell how the article relates to you personally or why you chose the article. The final paragraph should explain why the article is important.

Step 3: Compile the articles neatly with the one page write up following each article. Attach a bibliography at the end of the packet of articles.

2 points	2 points	2 points	2 points	2 points
One page typed	Copy of article	Neatly compiled	All paragraphs are complete	Bibliography included
